

**1** Please remove the protection foil from all acrylic parts (foil is on both sides).

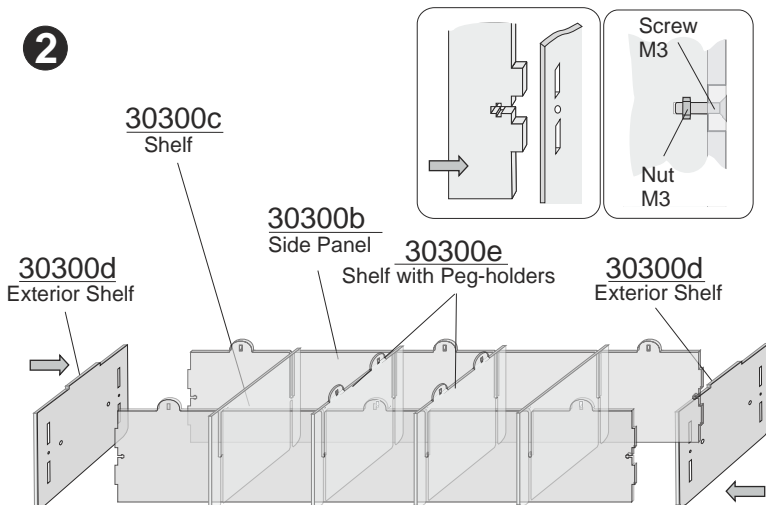

Slot the shelves 30300c and 30300e (two of each type) into the side panels 30300b. Make sure that the round overlaps with the openings are up.

**3**

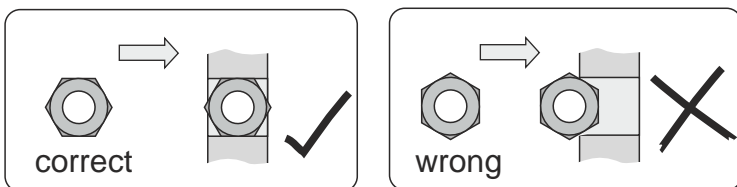

Finally connect the back panel to the sides and shelves. Clamp it firmly with the acrylic pegs.

**2**

Connect the two Exterior Shelves 30300d, to the side panels 30300b using the small M3 screws and nuts. Please fasten the screws only lightly.

Please insert the nuts as shown below.

**Cleaning instructions :**

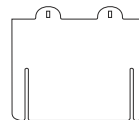

Please do not use any cleaning agents other than water or special acrylic care products. Many other cleaning agents contain solvents, which can damage the acrylic glass.

If you have any further questions, please contact us by e-mail or telephone.
